

Description 120AH LiFePO4 Battery with metal case produced by CATL, world leading lithium battery producer from China. The battery is widely used in electric bus, electric car and energy storage ...

EASY TO ASSEMBLE - 3.2V 120AH deep cycle solar battery is easy to install, including the required golf cart battery, connecting piece, screws, no professional knowledge is required, and it can be assembled in 10 minutes.

Longer Cycle Life: Offers up to 15 times longer cycle life and 5 times longer float/calendar life than lead acid battery. Lighter Weight: About 40% weight of a comparable lead acid battery, save up to 60% in ...

Hige 120Ah 3.2V LiFePO4 Prismatic Ba... 1 Busbar and set of 2 nuts/bolts ...

The CATL 120Ah 3.2V LiFePO4 battery is a high-capacity, long-life lithium-ion battery cell. LiFePO4, or lithium iron phosphate, is a type of cathode material known for its safety, longevity, and high ...

CATL 120Ah 3.2V LiFePO4 Prismatic Cells SKU: CATL120 \$ 32.79 \$ 18.49 44% Off In stock Shipping

The CATL 120Ah 3.2V LiFePO4 battery is a high-capacity, long-life lithium-ion ...

120AH LiFePO4 Battery with metal case produced by CATL, the world's leading lithium battery producer from China. The battery is widely used in electric bus, electric cars, and energy storage systems. The ...

Most of the Lifepo4 Prismatic Cells, packaged with aluminum alloy and stainless steel, are wound or laminated inside the battery. In this way, the protective effect on the cells is better than that of soft ...

Regarding 3.2 V 120 Ah lithium LiFePO4 battery cells, real capacity 130Ah, cycle life>2000 times, discharge rate is 3C. The monthly production is 80,000 pieces and the price is about 30% ...

The 3.2V 120Ah LiFePO4 battery cell represents a specific category of lithium iron phosphate batteries, known for their stability and longevity. These cells are engineered to provide a reliable power source, ...

Hige 120Ah 3.2V LiFePO4 Prismatic Ba... 1 Busbar and set of 2 nuts/bolts included per cell. NO, UNPROTECTED. This cell is unprotected and intended for use in protected battery packs only and ...
