

Our 72V controller is rated for 3000W and designed for optimal efficiency and power management. It provides a steady power output with a maximum current of 60A.

We are a comprehensive service supplier, which is committed to lithium-ion cells, modules, batteries, solar panels, inverters, UPS and other new energy industry related products sales program.

Housed in a vibration-resistant, IP65-rated enclosure, this battery is ready for off-road, commercial, and outdoor environments.

Whether you're looking for a reliable backup power system, a high-performance electric vehicle, or a robust solar power solution, this battery offers the power, efficiency, and reliability you need.

Explore a wide range of our 72V Hub Motor selection. Find top brands, exclusive offers, and unbeatable prices on eBay. Shop now for fast shipping and easy returns!

Our 72v 20ah 72v 30ah and 72v 31ah battery's are our only suitable battery's for this kit. 72v 20ah battery range 45km. 72v 30ah battery range 70km. 135mm is the normal drop out size. Optional ...

Optimized for off-grid solar setups with 1440Wh energy capacity, supporting solar inverters and ensuring efficient energy storage for residential or commercial use. Features high-temperature resistance (...

Optimized for off-grid solar setups with 1440Wh energy capacity, supporting ...

Learn about specs, applications in EVs, solar, and choosing the right 72V Li-ion battery.

- Long life-cycle: Can be circularly used, best can up to 2000 times recycles, 8 times of Lead acid battery. - Lighter weight, with the best power-to-weight ratio: 1/3 of Lead acid battery weight. - Low ...

12V 20Ah LiFePO4 Lithium Battery, 2000+ Deep Cycles Rechargeable Battery, Perfect for Solar Power, Outdoor camping, Fish Finders, Lighting, Ham Radio, Small UPS and More, Built-in 20A BMS
