

The Benefits of Installing An Ev Charger
 What Is The Olev Grant? Am I Eligible For The Olev Grant? To encourage the adoption of electric cars the government has introduced a grant for EV Chargers, provided by the Office For Low Emission Vehicles. The OLEV grant is also known as the Electric Vehicle Homecharge Scheme and allows for a contribution of up to 75% of the installation costs, of an EV Charger, up to the cost of £500 for a single point d...
