

Central and Eastern European Industrial Cabinet 380V

Our high voltage distribution cabinets are engineered to handle the most demanding environments. They provide robust protection and efficient power distribution, ensuring your operations run smoothly and ...

It is widely used in power plants, substations, industrial facilities, and commercial buildings. Built with robust cold-formed steel and engineered for ventilation and modularity, the GGD cabinet offers ...

Explore top electrical cabinet manufacturers, including E-Abel and EASI-Spare, offering high-quality, customizable solutions for industrial and automation projects. With decades of ...

Find your industrial electric cabinet easily amongst the 86 products from the leading brands (Safybox, Sisbrat, YSCABINET, ...) on DirectIndustry, the industry specialist for your professional purchases.

"The machine for the electric socket" is a merger of mechanics, electrics and decentralized intelligence of a system. Not only the amount of cables is reduced, but also a lot of time can be saved on site for ...

Introducing our high-quality Control Cabinet, designed for reliable distribution and control of electrical systems. The YNXX model features a rated voltage of 380V and a current range of 400A to 10A, ...

With years of accumulation in the transformer industry and strong technological innovation capabilities, HZEC products are sold to the Middle East, North America, South America, Europe, Southeast Asia, ...

Complete guide to electrical cabinet selection, IP ratings, material specs & installation. Expert insights on industrial enclosures for global operations.

With a 380V rated voltage and 4A-40A main bus current range, it's ideal for power distribution and lighting control in commercial/industrial settings. Key features include: 660V insulation voltage, 50Hz ...

Comprehensive Voltage Compatibility: This industrial power supply cabinet supports multiple voltage ranges, including 220V, 380V, 400V, 415V, and 500V, ensuring seamless integration with various ...
