

What is a SmartTrack® 47U server rack?

This SmartTrack® 47U server rack is designed for network wiring closets, retail locations, classrooms, back offices and other areas with essential rack-mount IT equipment. It is 800 millimeters wide to allow more room for cable management and PDU mounting along the sides of the rack, which permits free front-to-rear airflow.

How does a 47U server cabinet work?

This 47U server cabinet comes fully assembled for quick and easy deployment with pre-installed casters that let you maneuver it over a level, smooth, stable surface and through a standard two-meter doorway into position, where it can be stabilized by adjusting the levelers.
