

What are the best outdoor lights for outdoor spaces?

Our top pick for most outdoor spaces is the AloftSun Motion Sensor Solar Landscape Spotlights. We love these lights so much, we've tested them twice. Both times we found them to be durable, easy to use, and bright. We also love that these spotlights can detect motion from as much as 33 feet away, depending on the setting.

What is the brightest solar floodlight?

The Ring solar floodlight is a versatile outdoor solar light that provides reliable and bright illumination as well as optional smart integration. This is the only light we tested that has a backup battery, and at 1200 lumens, it's also the brightest light we tested.
