

Koxin specializes in custom lithium battery packs, coin cell & polymer Li-ion batteries, and smart BMS solutions. We provide small-scale, niche battery products with reliable quality and OEM customization.

Li-ion smart battery packs engineered for today's portable equipment, featuring SMBus/CANbus/I2C communication, fuel gauging, protection, and custom charging.

Jinwo Electronic Technology is one of the leading professional lithium battery manufacturers in China, As a professional power battery expert, we not only provide customers high quality batteries.

Our high-performance lithium-ion battery packs, custom battery chargers, and smart energy storage systems are tailored to meet demanding real-world applications. With a global production network ...

Custom Battery Pack & Charger Manufacturer For over 30 years, the Power Products team has been helping companies across a variety of industries, including public safety communications, healthcare, ...

Custom lithium battery pack manufacturer offering expert design, BMS integration & assembly for robotics and industrial use. Get your reliable power solution.

We specialize in providing high-performance lithium-ion smart batteries tailored for OEMs. Our batteries are designed with exceptional reliability, durability, and safety in mind, making them ideal for ...

We are a full-service custom battery manufacturer with full design and engineering capabilities. Our team has extensive experience with lithium-ion, lithium polymer, nickel metal hydride, nickel ...

As a premier custom battery pack manufacturer, we design and assemble high-performance lithium-ion, LiFePO<sub>4</sub>, and LiPO solutions tailored to your exact specifications.

As a global core supplier of battery manufacturing equipment, Pengjin offers PACK Turnkey Solutions that provide complete factory-level systems--from cell sorting to PACK assembly.
