

The Utilities Regulatory Authority (URA) has revised and issued new electricity tariff to the Vanuatu Utilities & Infrastructure Limited (VUI Ltd) to apply in its first billing run in 2024.

The document outlines the Concession for UNELCO to generate and supply electrical energy within the City of Port Vila.

The Authority approves UNELCO's monthly adjusted price of electricity of 60.22 Vatu/kWh to be charged to electricity consumers of the Port Vila electricity concession.

The price of Utilities 1 month (heating, electricity, gas ...) for 2 people in 85m² flat in Port Vila, Vanuatu is AU\$167 (12,855Vatu)

To be supplied with electricity, any house must be connected by a "connection" between the electricity distribution network and the individual or collective counting table.
