

How did power outages affect Nauru?

"Power outages caused some of our electrical appliances at home to malfunction." Power was supplied by Nauru Utilities Corporation (NUC),the country's only power utility,using poorly maintained 40-year old generators that led to higher diesel consumption and low energy efficiency.

Does Nauru have an electricity supply?

Nauru previously relied on diesel-powered generators maintained by the Nauru Phosphate Corporation for its electricity supply. After the dismantling of the Nauru Phosphate Corporation and government restructuring, the government-run Nauru Utilities Authority now manages the power supply.

Why did Nauru go without electricity?

Power was supplied by Nauru Utilities Corporation (NUC),the country's only power utility,using poorly maintained 40-year old generators that led to higher diesel consumption and low energy efficiency. High generation costs were passed on to consumers,many of whom couldn't afford to payso they went without electricity.
