

# Prado installation solar outdoor power cabinet

In episode 5 of the Perfect Prado update video series, the 2021 Landcruiser Prado gets a full 12v system complete with a solar panel and a Redarc charger.

Use an outdoor connection box for the wire connections. Make sure the power is turned off. Make the connection inside the box using a waterproof connector (min IP67).

This guide provides step-by-step instructions on how to install your R-BOX-OC outdoor solar battery cabinet, including site selection, assembly, wiring, and system testing.
